

And they shall beat their swords into ploughshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore.

08th December 2024

Dear Parents, Teachers and Students,

As we come to the end of another school year, we look back with gratitude to our God for bringing us thus far without any scars or blemishes. Our children have grown. They have played, learned, fought, danced, swam, sang, created, competed, laughed and entertained everyone who came to witness their incredible performances in various events and programmes held throughout the year.

We thank God for the gift of our children, our amazing teachers, our dedicated support staff and committed admin staff. We take this opportunity to thank our security personnel who have guarded our vulnerable children right through the year. We thank our nurses for being there right through the year to look after and care for our children.

Thank you, dear Parents and Guardians, for being there for your children and taking care of their daily needs, their study and play. Thank you for taking the interest in all their activities in school.

I wish you a very Happy and Blessed Christmas. May the Peace, Love, and Joy of Blessed Jesus reign in your hearts and homes. Please do remember and pray for our boys who will be appearing for their ICSE Board exams in Feb 2025.

God bless each one of you.

Those parents who have responded to the [Google Form for the Soccer School Coaching Program](#), kindly come to school for the presentation on 9th December (tomorrow) at 9.30 am. The meeting will be held in the school hall. Thank you.

Have a wonderful Christmas season - a season to Love and Forgive those who wrong against us. Peace be with you all.
