ABOUT US:

Founded in the year 1916, St. Edmund's School is managed by the Congregation of Christian Brothers in India. The institution has completed over hundred years of its existence providing quality education. Earlier it was a boarding school, but presently it is a day school meant for the boys only. It follows the ICSE Curriculum and syllabus.

OUR INSPIRATION:

Blessed Edmund Rice (1762 – 1844)

Blessed Edmund Rice, the founder of Congregation of Christian Brothers, is our source of inspiration based on the values of Presence, Compassion and Liberation. He was an astute businessman, loving husband, devoted father, grieving widower, innovative educator, courageous founder, and compassionate champion of the poor. His name lives on in many institutions and initiatives that claim his patronage; and his charism finds expression today in his religious confreres, in their co-workers in increasingly diverse ministries, and in a wider Edmund Rice family of those who have come under his influence and look to him as a great and courageous Christian worthy of our admiration and imitation.

VISION, MISSION & MOTTO:

- Inspired by the charism of Blessed Edmund Rice, we at St. Edmund's are resolved to make the school environment a happy place, where, we participate wholeheartedly in learning and sharing, thereby serving God, humanity and the nation through self-discipline, sincerity and hard work.
